

General Information

MISSION STATEMENT

The PSF Shakespeare Competition empowers participants and cultivates skill development and artistry in language, Shakespeare, and the art and craft of acting.

DESCRIPTION

Grounded in direct engagement with Shakespeare's text, the Competition provides multiple performance opportunities, direct evaluation of each performance by working theatre professionals and observation of peer and university performances. Any high school-aged student of a public, private school, or home school is eligible to participate in the competition, registering through their school. The registration fee covers participation in all rounds of the competition, workshops, and the panel discussions with professional artists. Panel topics may include: choosing your text, headshots, working in the theatre, and majoring in theatre.

SCHOLARSHIPS AND AWARDS

Four or more partial DeSales University Performing & Fine Arts scholarships will be awarded to outstanding participants. These scholarships range from \$1,000 to \$5,000 and are renewable for each of the four years a student would attend the University. First, second and third place awards will also be given in both Mono and Duo/Trio. Finally, a first, second, and third place Team Award will be given. Throughout the day, adjudicators will be nominating candidates to present their piece in the Showcase that are of distinctive value for all students present to observe. Participation in the Showcase does not affect final competition placement but will aid in identifying scholarship recipients.

COST

The cost for the competition is \$25 per student participant. Attendance at the 8pm DeSales University Act 1 production of *A View From the Bridge* requires an additional \$20 per participant, submitted with the entry fee.

REGULATIONS

Material must be from William Shakespeare's plays. Schools may enter **three** Monologues and **three** Duo/Trio scenes. The same student may not be entered in both Monologues and Duo/Trio scenes. It is the responsibility of the school to select which students will present their Monologues or Duo/Trio Scenes at the PSF Shakespeare Competition. Schools may wish to hold their own preliminary screening to select participants.

Entry forms must be received no later than Friday, February 10th 2012. No changes of entries will be allowed after that date.

EVALUATION

Each of the Monologues and Duo/Trio scenes will be presented three times, once in each of three rounds, evaluated by three separate adjudicators. Oral critiques will be given by the adjudicators in each round. (Ratings and rankings will not be disclosed, but running time may be given on request.) Any contestant not participating in all three rounds will be disqualified and no Team Points will be awarded. For more information on evaluation, please see our *Guidelines for Students and Coaches*.
